GDPR & Privacy Compliance

18th January 2022
Ownership : Membership Secretary
Review due 18th January 2023

Data is managed between the group, RoSPA Advanced Drivers & Riders, East Lancs Riders (ELR) and their hosting company, Membermojo.

Data is stored by Membermojo within secure servers, located within a purpose built data centre within the UK. The companies that host the data are ISO 27001 certified.

On line payments such as PayPal or Credit Card payments are made directly between the payee and ELR and no details of the payment method is held on Membermojo's systems.

The mailing system sends emails to individual members. A member receiving an email cannot see another members email address.

Administrators access of ELR membership database is controlled by an email and verified browser.
Access to this data is given on a need only basis, decided by the current Committee.
Those individuals that have current access are:

ELR Membership Secretary
ELR Secretary
ELT Training Manager

Details held by Membermojo will be deleted 12 months after a member leaves, unless the member requests this be done earlier.

This is the responsibility of the the ELR **Membership Secretary.**
